

A close-up photograph of a water fountain. Water is cascading down from the top left, creating a series of small, clear droplets and bubbles. The water is a deep, dark brown color, and the surface is covered in numerous small, shimmering bubbles. The background is dark and out of focus, showing some greenery and a person's legs in the distance.

**Genesis 01:31 And God saw every  
thing that he had made, and,  
behold, it was very good. And the  
evening and the morning were the  
sixth day.**
