

A photograph of a calm body of water, possibly a pond or a slow-moving stream, reflecting the sky and the surrounding greenery. The water is dark blue-grey, and the reflections are clear and detailed. The background shows a dense line of trees and bushes with various shades of green and brown, suggesting a natural, somewhat overgrown setting. The overall mood is serene and quiet.

sons' wives with him, into the ark,
because of the waters of the flood.**
