

**Genesis 23:12 And Abraham bowed
down himself before the people of
the land.**

A photograph of a sunset or sunrise. The sun is a bright, glowing orb positioned slightly above the center of the horizon. It is surrounded by wispy, orange-tinted clouds. The sky transitions from a deep orange near the horizon to a darker, almost black, color at the top. The foreground is a dark, flat expanse, possibly a field or a beach, which is mostly in shadow.
