

Genesis 26:13 And the man waxed  
great, and went forward, and grew  
until he became very great:

A decorative garden stream flows through a landscaped area. The stream is bordered by smooth, light-colored river stones. On the left bank, there are clusters of bright pink flowers and tall, thin green grasses. On the right bank, there are yellow flowers and more greenery. The water in the stream is clear and blue. In the background, a paved walkway and a building are visible.
