

A close-up photograph of several vibrant pink roses. The petals are layered and have a soft, velvety texture. Numerous small, clear water droplets are scattered across the petals and the surrounding green leaves, which are also glistening. The background is dark and out of focus, showing some brown mulch or soil. The overall lighting is bright, highlighting the colors and textures of the flowers.

LORD hath sent me to do all these  
works; for I have not done them of  
mine own mind.**
