

A close-up photograph of a willow branch with green catkins against a clear blue sky. The branch is the central focus, extending from the bottom left towards the top right. The catkins are small, fuzzy, and green, with some showing signs of being pollinated. The background is a soft, out-of-focus blue sky with some blurred green foliage in the distance.

2nd Chronicles 20:13 And all Judah
stood before the LORD, with their
little ones, their wives, and their
