

A vibrant garden scene featuring a dense bed of green leafy plants, likely squash or zucchini, with large, textured leaves. In the foreground, there are tall, slender green stalks, possibly green onions or scallions, growing in a row. The background shows a wire mesh fence, suggesting a garden or greenhouse setting. The overall atmosphere is bright and healthy, with natural sunlight filtering through the foliage.

**Psalms 73:23 Nevertheless I am
continually with thee: thou hast
holden me by my right hand.**
