

A sunset over the ocean. The sun is a bright, glowing orb on the left side of the frame, partially obscured by a lens flare. The sky transitions from a bright yellow near the sun to a deep orange and then to a dark, almost black, blue at the horizon. The ocean below is dark with small, white-capped waves. A clear, vertical reflection of the sun is visible on the water's surface, extending from the horizon up towards the center of the image.

Proverbs 02:21 For the upright shall  
dwell in the land, and the perfect  
shall remain in it.
