

A white seagull is captured in mid-flight, its wings spread wide, as it glides over a rugged, dark volcanic rock formation. The background features the white foam of waves crashing against the rocks, creating a dynamic and powerful scene. The overall atmosphere is one of natural beauty and resilience.

Isaiah 58:12 And they that shall be
of thee shall build the old waste
places, thou shalt raise up the
foundations of many generations;
and thou shalt be called, The
repairer of the breach, The
restorer of paths to dwell in.
