

A scenic view of a rocky coastline. The foreground shows dark, jagged rocks with white foam from a wave crashing against them. The middle ground is filled with the churning, greenish-blue water of the ocean, with white foam from smaller waves. In the background, a dark, rocky cliffside rises from the water's edge, topped with some sparse green vegetation. The overall atmosphere is one of natural power and rugged beauty.

**Zechariah 12:03 And in that day
will I make Jerusalem a
burdensome stone for all people:
all that burden themselves with it
shall be cut in pieces, though all
the people of the earth be
gathered together against it.**
