

A close-up photograph of a pink lily flower. In the foreground, a lily bud is partially open, showing its green and pinkish-orange petals. The main flower is in full bloom, with six large, pink petals and prominent stamens. The background is filled with green leaves and other lily flowers, some in bloom and some as buds.

**Romans 11:27 For this is my  
covenant unto them, when I shall  
take away their sins.**
