

A photograph of a path through a field of green grass. The path is a narrow, light-colored strip that leads from the foreground towards the background. The grass is vibrant green and appears to be a type of wildflower or meadow grass. In the background, there are several bright orange flowers, possibly poppies, scattered among the greenery. The overall scene is bright and natural, suggesting a sunny day in a rural or park setting.

answered me, and said, The thing  
which thou hast spoken is good for  
us to do.**
