

Jude 01:07 Even as Sodom and Gomorrha, and the cities about them in like manner, giving themselves over to fornication, and going after strange flesh, are set forth for an example, suffering the vengeance of eternal fire.

A scenic view of a coastline at dusk or dawn. The foreground shows a grassy hillside with some dark, possibly wet, patches. In the middle ground, waves are crashing onto a sandy beach, creating white foam. The background features a dark, silhouetted mountain range under a dim, overcast sky. The overall mood is somber and dramatic, fitting the biblical text overlaid on the image.
